

Pantera®

For more than 30 years, PANTERA ALIMENTOS has aiming for higher quality of its products, to meet the expectations of the most exigent consumers.

Continuous investments in hygiene procedures, grains selection and quality control, assures the best quality of PANTERA's products from the harvest to the final packaging.

In its modern installations, located in São Paulo city, the wide variety of grains merchandized under the brands PANTERA, PAULISTINHA and BIG VALLEY are received, processed, packaged, stored and distributed to the main wholesalers and retail chains.
